OPIC has a robust due diligence process that includes access to electronic databases. Certain questions that can be addressed through such electronic databases have been removed from the OPIC-129 form to eliminate duplication. These search tools provide immediate results, and thus, the OPIC-129 form is only one aspect of the due diligence review. The form has also been revised to update the electronic input fields in a manner that is consistent with new programming at OPIC. The form will include limited drop-down menus tailored to the specific applicant and OPIC business line.
